

Terms & Conditions of Entry

If you do not accept these terms and conditions, immediately exit the complex.

1. Risk, Liability & Right of Refusal

- **Risk Warning:** You enter and use the complex at your own risk, including the risk of any injury, death, theft, loss, or damage.
- **Vehicle Security:** You are responsible for securing your vehicle in the complex.
- **Management Rights:** Management reserves the right to refuse or terminate entry without refund for any reason whatsoever. We hold the right to enter, move (including to an outside area), drive, prevent the exit or movement of, or have towed away any vehicle. We are not liable for any damage caused to your vehicle if we move it.

2. Vehicle Capacity, Allocations & Placement

- **Space Allocation:** Each vehicle is entitled to one designated parking space only. Saving adjacent spaces or spreading out blankets/chairs across empty car bays is strictly prohibited.
- **Strict Occupancy Caps:** Ticket types are validated against physical vehicle capacities at the gate. Standard 5-Seaters cover a maximum of 5 people, Standard 7-Seaters cover up to 7 people, and Mini Vans cover up to 10 people. Passengers exceeding the purchased ticket tier or the legal, seat belted capacity of the vehicle will be denied entry or forced to buy individual walk-in passes.
- **Positioning Rules:** Customer bookings are processed in direct order of arrival at the gates (first-in, first-served for best viewing positions). Large vehicles, tall SUVs, and Mini Vans may be directed by traffic marshals to specific rear or side positions to prevent screen obstruction for smaller vehicles. It is the patron's absolute responsibility to ensure they are parked on the correct field to view their designated session.
- **Entry Delays:** Please be patient, as it takes time to process vehicles on busy nights.

For safety reasons, the start time of the film may be delayed until all vehicles are safely parked.

3. Strict Timings & Operational Lock-Outs

- Session 1 & Double Session: Entry gates open at 17:30. All Session 1 and Double Session vehicles must be fully parked by 18:15. Late arrivals will face an absolute entry lock-out with no refunds provided to avoid screen glare and disruption.
- Session 2 Only: Entry lanes open strictly at 20:00. All Session 2 vehicles must be completely parked by 20:15. Late arrivals forfeit their space entirely.
- Departure Enforcement (Session 1 Passes): Patrons holding a "Session 1 Only" pass must strictly obey traffic marshals and exit the venue immediately at the conclusion of the film (20:00 sharp). Failing to clear spaces immediately creates an extreme hazard for the incoming Session 2 traffic pool.

4. Screening Etiquette & Audio Requirements

- Light & Engine Controls: Keep your Foot OFF the Brake and Engines OFF whilst the film is in progress to prevent exhaust fumes and headlight glare from disrupting other viewers.
- Audio Tuning: It is the patron's responsibility to have an operational FM car stereo or portable radio to tune to the sound of the movie. no refunds will be given if you do not have this

5. Site Rules, General Conduct & Safety

- Compliance & Signs: You must follow all signs and instructions by us and any person appointed by us to control the complex, adhering strictly to any directions and regulations displayed or otherwise communicated from time to time.
- Anti-Hooning & Safe Driving Policy: Any form of dangerous and/or reckless driving will result in the immediate eviction of the vehicle and all its occupants. A

report will be made to the Queensland Police Service, passing on registration details, vehicle make, and model along with any supporting video footage.

- **Footwear Requirements:** Footwear must be worn at all times across all areas of the festival grounds, including the drive-in grids, markets, bar area, and restrooms.

- **Behavioural Expectations:** Be considerate of people around you. Do not shout, disrupt other patrons, or raise your vehicle's audio system volume excessively.

Obscene language and anti-social behaviour will result in immediate eviction without a refund. • **Laser Pointer Ban:** Laser pointers are strictly forbidden. Any usage of a laser pointer

will result in the immediate ejection of the vehicle and all its occupants from the property, and details may be forwarded to the police.

- **Media Recording Restrictions:** No professional photography, filming, or video recording of the on-screen cinematic content or other patrons is permitted without prior written consent from event management.

- **Waste Management:** You must not leave rubbish in the complex except in any bin provided by us for that purpose.

- **Ticket & Payment Policy:** Tickets must be retained at all times and presented upon request. We are a CASHLESS venue; all points of sale accept electronic payments only.

- **Child Supervision:** Children under the age of 12 must be supervised by an adult at all times when visiting the markets, food trucks, or common areas. Inappropriate behaviour or unsupervised wandering will not be tolerated.

6. Responsible Service of Alcohol (RSA) Framework

- **Strict No BYO Policy:** This festival operates under a commercial Liquor Licence. Outside alcohol is strictly prohibited on the premises. Security and event staff maintain the right to inspect vehicles, car boots, bags, and cooler boxes at the entry gates. Any outside alcohol found will be confiscated, and offending patrons may be

refused entry.

- Licensed Footprint: Alcoholic beverages purchased at the on-site bar must be consumed within designated event boundaries and strict responsible service rules apply.

7. Weather & Refund Policies

- All-Weather Play: This is an all-weather event. The festival and movie screenings will proceed in rain or shine. No refunds or return vouchers are issued due to inclement weather conditions.
- Refund Exclusions: Once patrons have decided to view one or two films upon entry and purchased their tickets, no refunds will be given unless required by law. Tickets are completely non-refundable for changes of mind, scheduling conflicts, or failure to arrive before the strict 15-minute vehicle lock-out cut-off times.
